

DUSA Sport Ambassador Program 2023

Sport Ambassador Program

The Sport Ambassador Program is a student volunteer program that has been established to give students the opportunity to increase awareness and participation in sport across Deakin University.

Students in the program can be from any field of study and apply the skills and training they have including (but not limited to) sport management, event management, coaching, photography, videography, communications, marketing, journalism, sports training, officiating, and first aid.

Students in the program must be studying an undergraduate or post graduate degree at Deakin University in 2023.

Selection Criteria

Sport Ambassadors are appointed on an annual basis. As a minimum, Sport Ambassadors must:

- Be a currently enrolled Deakin University student.
- Attend a training/development day/session (February 2023)

Applications will be evaluated by DUSA. Selection will also be based on:

- The applicant's willingness to dedicate their time to the program
- The skills and experience that the applicant possesses
- The degree to which the program will benefit the student's development

Sport Ambassador Roles

Students can apply for one or more of the following roles:

Sport Ambassador (Event Coordinator)

Encompasses sport and event management.

Sport Ambassador (Media/Communications)

Encompasses photography, videography, communications, marketing, and journalism.

Sport Ambassador (Support Personnel)

Encompasses coaches, sports trainers, officials, and first aid officers.

Throughout the 2023 year, students in these positions will be offered the opportunity to assist a team or event. These may be in the form of promotional events, come & try sport sessions, on-campus events, club activities, representative sport activities.

Sport Ambassador Benefits

- DUSA rewards our volunteers with discounts and freebies that include movie tickets, gift vouchers, cheaper rates on DUSA products, trips and tours, free events and discounts on University Sport events.
- Sport Ambassador Uniform for use at relevant events.
- The program provides a great opportunity for Deakin's students to gain practical experience while also helping to develop the Deakin sporting community.
