

WHAT IS A DUSA CLUB GRANT?

A DUSA Club Grant is available to affiliated DUSA Clubs. This grant allows DUSA clubs to apply for funding to assist with **partially** covering the costs associated with learning and development, venue hire and equipment, promotional items and located and online events and activities to provide subsidies for your membership base. Grant money is not automatically received, the following information will help your club work through the steps in applying for a grant.

All grant applications are subject to approval by your Club Support Coordinator (CSC) and your CSC will monitor your compliance with the below minimum requirements. CSC's will consider clubs personal funds, fundraising efforts, member benefit/reach, level of activity during the Trimester and sales income (ticket sales, merchandise sales etc.) when approving grant applications.

Grant money is available to be applied for/spent in relation to the current Trimester. For example, grant money applied for in T1 can be spent on events in T1, and is not eligible for use for T2 events (T2/3 grant money can be used for T2 events). Grant money can be used to partially cover/subsidise the cost of events/items (grant money is unable to cover the full cost of events/items). T2/3 grant money can be applied for (and must be spent/reimbursed) by end of second week of December (to allow for payment to be made prior to Christmas closure).

Grants can be applied for to help partially subsidise the cost of both online and located events/initiatives. For example, grant money could be used to support your club in having a strong digital presence, or for located events which can enhance your member's experience.

Grant applications are applied for on an event by event or item by item basis. For example, a grant application may be submitted to partially subsidise the cost of 100 pens (as opposed to submitting a grant application with no specific details of what is being purchased/costings). Don't forget to take into consideration the number of club members when putting forward a grant application!

It is the responsibility of the Club Executives to ensure that the club is financially sustainable, and that proposed expenses are at an appropriate level taking into consideration the clubs current financial position. You can ask your CSC for a current balance of your club funds at any time.

**Grant applications are unable to be used to only benefit Executive/Committee members and are available to subsidise expenses relevant to your member base (not applicable for non-members). Please note grant money cannot be used for the purchasing of alcohol (both on and off campus).*

HOW MUCH CAN OUR CLUB APPLY FOR IN GRANT MONEY?

Each DUSA Club falls into a tier based on their membership statistics. After orientation week in both T1 and T2, the club tier for the Trimester ahead is determined. After the club tier is determined at the end of week 1 of T1 and T2, the club will no longer be eligible to advance to a higher tier for that trimester. If a club does not have 20 members at the end of week 1, they will not be eligible for the club grant for the Trimester ahead. Clubs can access up to \$500 in T1 Grant Money prior to the grant tier being allocated.

	No. of members	Funding
Tier 1	20-70 student members <i>(10 for Warrnambool)</i>	\$1250 in T1 and \$1250 in T2/T3
Tier 2	70-150 student members	\$1500 in T1 and \$1500 in T2/T3
Tier 3	150+ student members	\$1750 in T1 and \$1750 in T2/T3

**Please note DUSA Club Grants in trimester 3 can only be approved/spent up until the 15th of December.*
