

DUSA

Logo Usage Guideline

UPDATED SEPTEMBER 2026

DUSA LOGO

CORRECT USAGE

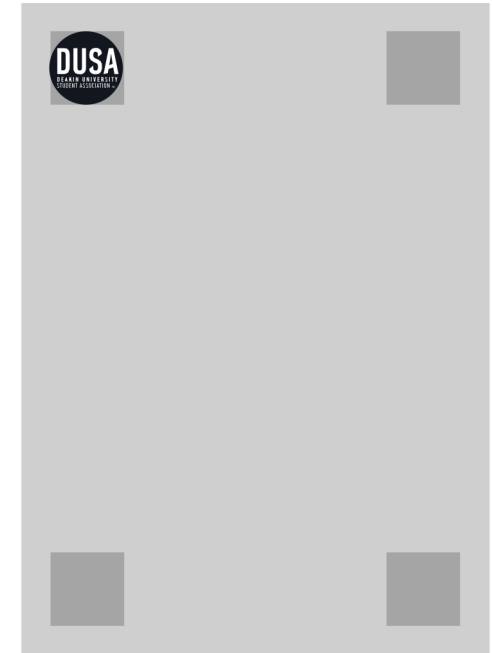

Use these two black and white variations of DUSA logo on any creative you create. Always use the one with text. Minimum size of the logo is 15mm. You can download the PNG files via the [Clubs Resources](#) page on our DUSA website.

Black DUSA logo
with text

White DUSA logo
with text

Always place logo in the left
or right corner of a design.

DUSA LOGO

INCORRECT USAGE

It is important that the logo always has perfect legibility. It should never be applied on any background that interferes or does not let the logo be read perfectly. The logo should always be consistent and never distorted, stretched or managed inappropriately. These examples illustrate incorrect applications of the logo.

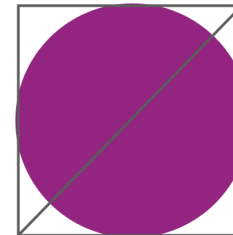

Do not lower
logo's transparency

Do not
distort logo

Do not add/ remove
logo's information

Do not change
logo's color

Do not place
logo in the center
of the design

Do not outline DUSA logo

Do not use outdated
DUSA logo

Do not place logo on the
busy part of an image.
Always find clear space.
