INFORMATION RELATING TO THE ONLINE VOTING REGISTRATION APPLICATION

An online voting application is not reversible. Once lodged and accepted, your voting pack will be issued to you electronically and you will be unable to vote in person.

Your voting pack will be lodged to your Deakin University student email.

The definition of 'geographically located' (**remote location**) for the purposes of this application is you must be greater than a 30km circular radius from the campus where your course is attached to and are therefore unable to physically attend to vote.

The physical address used to determine your eligibility will be obtained from the DUSA membership roll.

Further instructions on the process, as well as access to electoral material from candidate/s, will be provided to registered voters after close of registration.
