INFORMATION RELATING TO THE PROXY VOTE APPLICATION

Proxy voting means that if you aren't able to cast your vote in person, you can have someone you trust cast your vote for you in accordance with DUSA Election Regulations.

Both you and your proxy must be registered and eligible to vote.

A proxy vote application is not reversible. Once lodged and accepted your ballots will be issued to your proxy to vote on your behalf.

A student member may only act as proxy for one other student member. In the case of more than one student member proxying their vote to the same student member, only the first application received by the Returning Officer will be deemed valid.
